

Oklahoma State Department of Health
Creating a State of Health

November 3, 2008

MIKE'S LOCKSMITH SHOP INC
Attn: MICHAEL MCGREW
3600 SE DANA DR
BARTLESVILLE, OK. 74006

Dear Alarm and Locksmith Industry Company:

The Alarm and Locksmith Industry Program of The Oklahoma State Department of Health is providing every licensed Alarm & Locksmith Industry Company with a letter of notification regarding the requirement for displaying their state license number. OAC 310:205-3-2(d) of the Alarm and Locksmith Industry Rules states:

The state issued company license number shall be placed on all letterhead stationery, business cards, invoices, statements, contracts, bids, estimates, plans, and printed advertisements, and shall be included in electronic media advertisements. Decals and yard signs shall display the state issued company license number. The state issued license number shall be located on all vehicles that display the company name.

Failure to comply with this requirement may subject you to an administrative fine. Any additional forms, rules and regulations, impairment notice, etc. can be found on our website at <http://old.health.ok.gov> under the Alarm and Locksmith Industry link. Should you have any questions please contact Gerald K. Gabel of the Oklahoma State Department of Health at (405) 271-5779, ext. 57921. Thank you for your attention to this matter.

Sincerely,

Matt Schue

Matt Schue, Director
Occupational Licensing Division
